### Notice to Tax Payers.

Every tax payer is required by law, under penalties provided therein, to fill out, sign, swear to and deliver the proper inventory to the assessors. Some workmen who have signed a card handed to them by their employer for the purpose of obtaining their name and proper address have got an impression that they have completed their duty by so doing. To meet the requirements of law they must come to the assessors' office in City Hall and deliver the sworn inventory. The time in which to do this is growing short.
